The Bible Knowledge Commentary Gospels John F. Walvoord, Roy B. Zuck, 2018-03-01
Walk with Those Who Walked with Jesus

In the Gospels we witness the most crucial turning point in world history and the reason we believe what we do. The New Testament begins with four accounts of the “good news” of the Son of God. Drawing on the research of Dallas Theological Seminary scholars, The Bible Knowledge Commentary: Gospels explores similarities and differences among Matthew, Mark, Luke, and John. The authors also look at difficult or confusing passages, apologetic evidence for these eyewitness accounts, and what we can learn about Christ-like living from observing the life of Jesus. With dozens of visuals and Old Testament cross-references, this commentary is one of the most thorough and theologically sound studies of the Gospels. Journey with Jesus as if for the first time in this detailed look at His life on earth.

Illuminating and empowering, THE CHURCH AWAKENING will ignite a revolution in the way Christians do church for years to come.

The Bible Knowledge Commentary Minor Prophets John F. Walvoord, Roy B. Zuck, 2018-03-01

God’s Love and Justice on Display

What do we know about the date of Joel’s ministry? How do the warnings of Malachi relate to the Book of Revelation? How did Amos’s profession as a rancher influence his prophetic voice? Drawing on the research of internationally known Bible scholars, this detailed commentary looks at each verse of the final books of the Old Testament. The words of the minor prophets draw us closer to God by teaching us about His enduring love, His judgment to the unfaithful and mercy to the repentant, and His call to restoration for people who have suffered. Covering every book from Hosea through Malachi, this
commentary shows the meaning behind these powerful prophecies while reminding us how ordinary people spoke extraordinary truth on behalf of a loving and just God.

**The Bible Knowledge Commentary Acts and Epistles** John F. Walvoord, Roy B. Zuck, 2018-03-01
Grace and peace to you from God our Father and the Lord Jesus Christ... This verse-by-verse commentary takes us from the early church in Acts through Paul’s letters, helping us understand more deeply our salvation, God’s call to relationship, and why grace is the cornerstone of our life in Christ. In the book of Acts, Luke portrays the tensions, persecutions, and hopes of the early church. This detailed commentary digs deep into the zeal and joy of Christ’s earliest followers and what these men and women teach us about community in Christ. Once an enemy of Christianity, Paul became a follower of Christ who helped the early church grow in obedience and love. His letters include some of the most beloved words of Scripture, as well as profound challenges to be more like Christ in our words and actions. Be inspired as you learn more about how the early church spread from Jerusalem to the ends of the earth.

Carson have brought together a distinguished team to provide readers with a comprehensive commentary on Old Testament quotations, allusions, and echoes that appear from Matthew through Revelation. Hard Truths and Amazing
Grace Isaiah, Jeremiah, Ezekiel, and Daniel spoke words of warning, comfort, and punishment to the people of Israel in Judah and during the Babylonian Captivity. Though they faced incredible loss and persecution as they grieved the choices the Israelites made, these major prophets of the Old Testament fulfilled their role as God’s voice to a rebellious people. In this highly respected commentary, Dallas Theological Seminary scholars explore the historical and cultural background of the prophets, the literary devices they used, and what these books teach us about God’s call to us to follow Him today.

From creation to the Ten Commandments to the beautiful reminders to follow God’s ways, the biblical books of law offer us rich insight into how to live well in today’s world.

The Millennial Kingdom John F. Walvoord, 1959 The Millennial Kingdom is a comprehensive biblical and historical treatment of the doctrine of the millennium written for the pastor, students, scholar, or layperson. The three leading millennial views -- postmillennialism, amillennialism, and premillennialism -- are presented in the context of their history, their theology, and their biblical interpretation. Dr. Walvoord presents postmillennialism first and then discusses amillennialism. However, the subject of premillenialism forms the main body of the work. The author introduces premillennialism with a survey of its historical background in the Old and New Testaments and in the history of the church. Its theological setting and methods of interpretation are discussed. A presentation of the character of the millennium concludes the volume.
